

### About the Institution

C.U.Shah College of Engineering & Technology, Wadhwan City, established in 1997, situated on scenic banks of the river Bhogao at a distance of about 6 km from Surendranagar, is one of the most prestigious Colleges run by the Vardhman Bharti Trust. This College has been harvesting invaluable advantages of its location. Ahmedabad, Rajkot and Bhavnagar industrial belts are situated hardly at a distance of less than 140 km from the College. Surendranagar, Wadhwan, and Joravarnagar, the economically, socially and educationally developed cities, are located adjacent to each other. There are two industrial estates, GIDC, Wadhwan and Udyog nagar, Surendranagar. This belt has over 1000 industries from sectors like chemical, pharmaceutical, bearings manufactures, machine tools, etc. The College has been playing a key role not only in turning the Surendranagar District as one of the most prominent districts in the State, economically and educationally as well, but also has been functioning as a wonderful resource for trained technical manpower to the country.

### About the Trust

The Vardhman Bharti Trust, Wadhwan City, established in 1969, is a charitable Trust. The Trust is fully devoted to the noble cause of spreading education in the region. The Trust's objective is to impart quality education from undergraduate-to-post-graduate levels in Arts, Science, Commerce, Pharmacy, Law, Medicine, Technical, Physical education, vocational training, etc. The Trust at present runs 16 educational institutions

### Mission

Education is an engine of economy. Committed, students-centered, local and global need-based quality education with minimum costs at all levels- nursery, primary to post doctoral-ensures sustainable development of the society and enhances both the standard of living and quality of life of man, the last man of the society.

### Vision

The Vardhman Bharti Trust committed to excellence in education, strives to take the students to their highest academic potential, generating in them self-esteem, respect for themselves and for others, harmony and tolerance in a structured, "Gurukul" like family oriented environment, that is to be achieved by committed faculty and staff members providing their students, on duly acknowledging student's experience and knowledge, an atmosphere of caring, discipline and understanding. The Trust challenges its students to be responsible person with character, thoughtfulness, positive contribution to society and above all, national minded and nation making.

### Basic Academic Philosophy of the Institution

We encourage all the students to meet their academic goals and to work hard to maximize their academic potential. Students, faculty and staff of the College play an active role in the educational process, so that students will imbibe spirit of inquiry, discovery, critical analysis, problem handling, decision making and love for life long learning, creativity, responsibility, collaboration, leadership, independent thinking, generic skills, and thereby enhancing opportunities for individuals, organizations and society as a whole.

### Quality Policy

The focus is on Quality oriented education and training inculcating such attributes as mental skills, numerical skills, problem handling skills, etc., in commensurate with respective discipline like Mechanical, Computer, Electrical, Electronics and Communication, Information Technology, etc.

### Undergraduate Programmes Run by the Institution

The College at present runs the following AICTE approved six programs leading to the degree of Bachelor of Engineering awarded by the Saurashtra University, Rajkot:

Sn.	Branch	Intake
1	Computer Engineering	90
2	Electronics & Communication Engg.	90
3	Information Technology	60
4	Bio-Medical & Instrumentation Engg.	60
5	Mechanical Engineering	60
6	Electrical & Electronics Engg.	60
<b>Total</b>		<b>420</b>

Besides the above Programmes, the College also runs AICTE approved MCA post-graduate Programme.

The College has expert and experienced faculty in Electronics & Communication Engineering, excellently supported by experts from reputed big industrial houses and renowned academicians as visiting faculty. The strong features of the College are: e-Library with latest literature, spacious and well-equipped laboratories (DSP, VLSI, Embedded and Wireless Comm.), and workshop, broad-band internet with Wi-Fi facility to all students, boys/girls hostels, etc. Round the year, faculty and students are involved in organizing various events including national conferences/workshops/seminars. The College has close interaction with industry and students are exposed to industrial world. The Training & Placement Cell and Alumni Association are the strong organs of the College. The College provides excellent student's amenities, like, parking, drinking water, canteen, student-stores, sports, etc.

### Post-Graduate Program Offered

The College has started an AICTE approved post-graduate program, i.e., ME (Electronics & Communication Engineering), of the Saurashtra University, Rajkot. The duration of the Program is two years and total intake is 18 students.

#### Program Structure

M.E (Electronics & Communication Engineering)

Semester – I	Semester – II
<ol style="list-style-type: none"> <li>Modern Digital Communication Technique</li> <li>Information Theory and Coding</li> <li>Advanced Signal Processing</li> <li>Peripheral System Design &amp; Interfacing</li> <li>Optical Comm. System</li> <li>Seminar - I</li> </ol>	<ol style="list-style-type: none"> <li>High Performance Communication Networks</li> <li>VLSI Design</li> <li>Wireless Digital Communication</li> <li>Advanced Processor &amp; Embedded System</li> <li>Elective-I (I.Mobile Comm. and Computing, Digital Comm. Receivers, Global Tracking and Positioning)</li> <li>Seminar - II</li> </ol>

<b>Semester III &amp; IV</b> ❖ Dissertation Phase
------------------------------------------------------

### Eligibility Criteria

The eligibility criteria for admission to the said Program are:

- Candidate must have passed Bachelor of Engineering / Technology from a recognized university with minimum 55 % marks (or equivalent cumulative grade point index) in the discipline of Electro. & Comm., Electro. & Tele Comm., Electronics, Electrical & Electronics.

### Selection Procedure

- Selection is purely on merit basis.
- Merit will be decided as follows :
- **GATE Candidates:-** Gate Percentile
- **Non – GATE Candidates :-** BE Marks, written one – hour objective Test.
- In case of a tie, the merit will be decided in the order of BE degree marks, XII standard marks, X standard marks, date of birth and toss.
- No separate call letters will be mailed to the candidates. They must strictly adhere to the “Important Dates” and appear for Test / Admission as the case may be.

### Tuition Fees

Tuition fees, as approved by the competent authority per candidate per year will be charged as given below

- **Tuition fees :-** Non Refundable
  - Regular Candidate Rs. 40,000 /-
  - Sponsored candidate Rs. 45,000 /-
- The fees once paid is not refundable, if a student does not report after admission or leaves after commencement of the term.
- If admission is confirmed, the concerned candidate is required to pay Rs. 5,000/- on the same day as a token of acceptance of admission which is non-refundable. This amount will be adjusted subsequently with the remaining fees.

### Teaching Assistantship

A few selected candidates may be offered teaching assistantship depending on requirements up to Rs 5000/- per month.

### Important Dates:-

Activity	Date
Issue of Application forms (Can be downloaded from our website <a href="http://www.cetvbt.org">www.cetvbt.org</a> )	
Last date of Receiving Application form	05/08/2008
Declaration of Merit list (For GATE)	08/08/2008
Written Test	10/08/2008 (11:00 A.M.) (3:00 P.M.)
Declaration of Merit list (For Non-GATE)	
Admission for GATE & Non-GATE Candidates	13/08/2008
Commencement of the Program	14/08/2008

Downloaded Application must be submitted along with D.D (Non – Refundable) of Rs. 150 in favour of “C. U. Shah College of Engg & Tech.” Payable at “Surendranagar” in a sealed envelop marked as “ME Electronics & Communication Engineering” on its top right corner before the expiry of the last date as cited above to:

**Dr. G. R. Kulkarni**

**The Principal**
